

To My Hero

Hope

Faith

You lift me up and guide me on my way.

I believe you are my hero.

You are my angel.

You taught me so much

You believe in the impossible,

While overcoming so many obstacles

You are so strong,

So trusting,

So selfless.

I will always look to you for help.

I admire you.

You are so inspiring.

Amazing.

Beautiful.

You have more heart than anyone I know.

More hope than I have ever known a person to have.

I am so proud and honored to have you in my life.

I love you and will always be with you
